 - b. Appy Hour: How to Apply to Federal Jobs
 - c. Appy Hour: How to Apply to CA State Jobs
3. Job Opportunities
 - a. Chevron Health, Safety, & Environment opportunities at Chevron

Get Involved on Campus

MANRRS presents "Let's Network!"

MANRRS at UC Davis is a club that promotes academic and professional advancement by empowering all students, including underrepresented groups, in agriculture, natural resources and related sciences. They have an event coming up called "Networking with Valent Biosciences" to connect participants with a MANRRS partner, Valent Biosciences. Valent works with innovative, technological herbicides, insecticides, fungicides, plant growth regulators and other product types for crop production and pest management. They will present job and internship opportunities. The event will take place Monday November 1st from 3:10-4pm.

[Recruitment Drive!! Science Olympiad at UC Davis](#)

Science Olympiad at UC Davis is a STEM outreach club that hosts an annual event-based competition for high school competitors. They are trying to recruit new members of all majors to help with writing tests, mentoring the local high school team, and volunteering on competition day. It's important for them to be able to host this event and give these high schoolers a chance to foster their interest in STEM!

- [Link to UC Davis Venture Catalyst](#)
- [Link to DEN site and calendar](#) - *resources across UC Davis and beyond*

Professional Development

LA Sanitation and Environment's Engineer Day - November 6, 2021

There will be a virtual informational session for students with the City of Los Angeles, LA Sanitation and Environment (LASAN) on November 6, 2021. This will be a great opportunity for students to learn about the different programs within LASAN, including the Clean Water, Solid Resources, and Watershed Protection programs.

Below is the registration link:

<https://www.eventbrite.com/e/la-sanitation-environments-engineer-day-2021-registration-176484027477?aff=UCD>

Please note that there are a limited number of spots available, so students should sign up as early as possible.
