ASUCD Scholarship

ASUCD is currently awarding one time temporary \$100 basic needs vouchers to combat the financial hardships students are facing in light of COVID-19. Any currently enrolled UC Davis student is eligible for this relief. In addition, ASUCD cordially invites Undocumented, DACAmented, and members of mixed-status families to apply for this support.

The application can be found at tinyurl.com/dreamersthive and all applications should be submitted by **June 27th, 2020 at 11:59 PM**. Any questions can be directed towards dreamersthive2020@gmail.com! For more information, please see the attached flyers.

ASUCD Housing Information

Due to the combined complications of COVID and UC Davis's plan to only partially reopen in the fall, many students are struggling to find housing for next year that meets their need for flexibility. Many students are expecting to have trouble affording rent, and others are hesitating to sign leases until they know for sure whether they will return in the fall--a situation sure to leave many in a last-minute housing scramble.

Recently, ASUCD has been surveying apartment complexes in the Davis area to understand which complexes are providing student renters with the most flexibility come fall. This information is generally extremely hard to find, and they think it is important that students are able to have easy access to it. ASUCD has compiled two graphics to display their results, which are attached to this email.

Additionally, **ASUCD is in the process of hiring for our housing advocacy task force** (along with two other positions), and attached are the graphics advertising these openings as well.
