Announcements Regarding COVID

COVID Safety Livestream

ASUCD will be holding a COVID Safety Livestream for students this Friday, October 2nd, from 1-2pm.

They will host Associate Vice Chancellor Cory Vu and Dr. Cindy Schorzman from the Campus Health and Wellness Center to discuss the Campus Ready plan. For more information please see the attached graphic.

COVID Mass Testing Course

A new 1-unit in-person course open to all students, combines academic concepts and practice with facilitating COVID-19 mass testing efforts at UC Davis. Please see the attached flyer for more details.

Job Opportunity – Guidehouse ES&I

About Our Company:

[Guidehouse ES&I](#) (formerly Navigant Consulting) is one of the world's largest consultancies focused on energy issues. Their staff work with a range of clients including Fortune 500 companies, major electric utilities, and state and federal regulatory agencies.

Job Postings:

They are currently recruiting Juniors, Seniors, and Masters candidates of all backgrounds for 2021 internships and entry-level Consultant roles. Job postings can be found [here](#) and directly on Handshake.

For More Information:

Next Thursday, October 6th, at 5:30pm PT the ES&I practice will host a webinar where candidates can learn more about the firm and connect with some of our staff. All interested students can register [here](#).

Thanks in advance for your help!

Insight Fellows Program Webinars

Insight Fellows Program - Upcoming Webinars: Transitioning to Careers in Data and Tech

Interested in a career in data science, engineering, machine learning, or other tech roles? Insight Fellows Program is hosting a series of webinars to help you learn more about the landscape, the kinds of careers that are available, and guidance to help you make the transition. Sign up for one or more of these webinars below!

Webinar 1: Careers in Distributed Computing

Join to discuss the rapid growth and demand for engineers in DevOps and Blockchain. We will chat about tips and next steps for transitioning into the industries. All backgrounds and experience levels are welcome!

Date: Wednesday, October 7th

Time: 3pm PT / 6pm ET

[Sign Up Now](#)

Webinar 2: Transitioning from Academia to Industry

This session will cover the current state of the data science landscape, what kinds of careers are available, and how to leverage your experience in academia to help bridge the gap to industry.

Date: Wednesday, October 7th

Time: 5pm PT / 8pm ET

[Sign Up Now](#)

Webinar 3: Careers in Data Science

Scientists from diverse fields, including physics, ecology, engineering, neuroscience, math, sociology, geosciences, statistics, computer science, and more, are playing key roles in transforming the way companies and public institutions work with data to impact our daily lives. Join this session for a high-level overview of the data science industry, how each field gives Fellows their own unique edge in the DS job market, and discussion of the Insight Fellows Program.

Date: Thursday, October 8th

Time: 11am PT / 2pm ET

Engineering Student Design Center Expansion

Engineering Student Design Center Expansion Groundbreaking

Friday, October 9

11:30 a.m.

Online

[RSVP Today](#)

Celebrate the ESDC

Join Chancellor May, Dean Curtis, students, alumni, faculty and friends as we break ground on the [Engineering Student Design Center](#) (ESDC) expansion. This exciting project will grow the current space from 9,000 sq. ft. to 23,000 sq. ft. and prominently position our engineering design ecosystem as a cornerstone of the student learning experience.

The expanded ESDC, set to be completed in Fall 2022, will house the [Student Startup Center](#) and feature a dedicated rapid prototyping lab, several huddle spaces for student-client collaboration, instructional classrooms, over 50 manufacturing machines and more.

For more information, please contact Molly Bechtel, Outreach and Engagement Coordinator,

at mmbechtel@ucdavis.edu or (530) 400-3213 with questions.

MANRRS Stress Management Event

Are you stressed about virtual instruction? Are you looking for new methods to manage stress? Join **MANRRS (Minorities in Agriculture, Natural Resources, and Related Sciences)** at **UC Davis** to learn more about everyday habits that increase stress and how to manage stress during the age of online instruction.

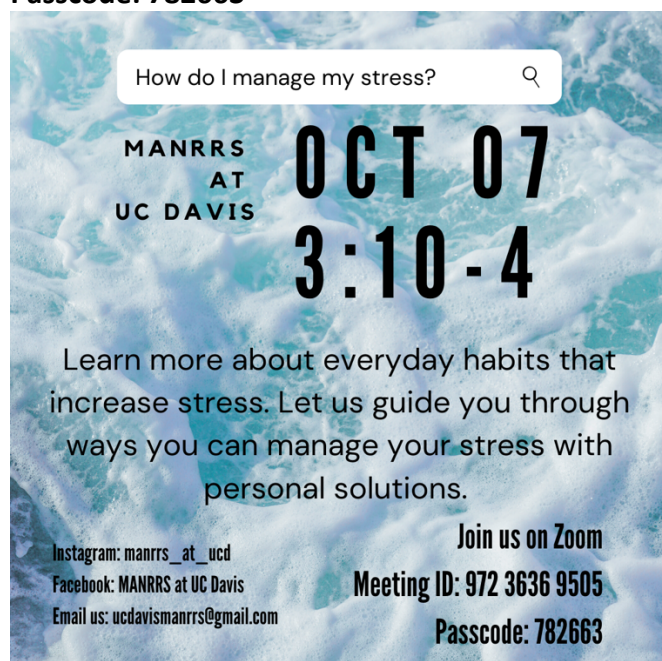

When: Wednesday Oct 7

Pal Program

During the 2019-2020 academic year, the [Pal Program](#) partnered over 600 undergraduate students who signed up to meet their peers from different countries and cultures for weekly conversation sessions. By choosing to open themselves up to this unique experience, Pals created **lasting friendships**, improved their **social and language skills**, and acquired a greater sense of **cultural awareness**. This fall quarter they are transitioning to a remote program while maintaining many of their key activities. The Pal Program invites undergrads to register to become a Pal this quarter. As an option, participants can also sign up to take the **EDU 198 “Intercultural Communication for Pals”** course for 1 unit by meeting with 2 partners and completing course activities (CRN **30795**). This program is free and there are no prerequisites to join.

If you have any questions, please don't hesitate to contact us at palprogram@ucdavis.edu. Please see the attached flyer for more information.

Shoes Before Socks!

Mark your calendars...

The Winter 2021 issue of *Open Ceilings* literary magazine, ***Shoes Before Socks***, coming soon on **November 13th with a virtual launch party from 6-8PM!**

What is this issue about?

The third issue, *Winter 2021: Shoes Before Socks*, is a collection of work centered on routine, everyday objects, and all the ways we cling to normalcy when things feel upside-down. This volume captures the little things that help us feel grounded amidst global uncertainty—our habits and trinkets, our shoes and our socks. *Shoes Before Socks* is the result of our anxieties but also the source of our comfort.

Follow them on social media or visit their website to stay updated on our upcoming events, and mark your calendars for November 13th!

Where can you contact us?

- Check out our website www.openceilingsmagazine.com for more information
- Pre-order the new issue here: <https://www.openceilingsmagazine.com/store>
- Contact the board at contactopenceilings@gmail.com
