Civil and Environmental Engineering Announcements

December 13th, 2022

Happy Winter Break!

Here's some items for you go-getters still checking email over the break...

1. [Involvement](#)
 2. [Career/Internship](#)
 3. [Scholarships](#)
-

INVOLVEMENT

**PASSIONATE ABOUT SOCIAL ENTREPRENEURSHIP AND SUSTAINABILITY?
APPLY FOR THE UNITE CAMP 2030 SUMMIT**

Dates: **September 11-16, 2023**
Application Due: **January 18th, 2023**
[Apply Here](#)

UNITE 2030 is a global community of young leaders who are taking action to tackle poverty, inequality, injustice, and climate change by the year 2030. [Camp 2030 Summit](#) is a **6-day innovation lab** that sparks entrepreneurial solutions to the SDGs in New York City. Five days are spent at a summer camp in upstate New York, and on the final day, Campers pitch their

solution to a judging panel at the SDG Solutions Hub as part of Global Goals Week in New York City.

College of Engineering: GIVE DAY FUNDRAISING CHALLENGE

The College of Engineering is giving three student groups/programs/projects the opportunity to raise money through a fundraising challenge during **UC Davis' 7th annual Give Day April 14-15, 2023**. Student organizations, student projects and student-facing programs that reside within the College of Engineering are invited to participate in this competition.

For consideration, please complete this [short application](#) and submit a one minute video via Box **by noon on February 3, 2023**

Please note- the following groups were selected last year, and therefore will not be eligible for this year: Avenue-E/LEADR, Student Startup Center, HackDavis.

The groups that are selected and meet their Give Day challenge goal (20-40 gifts on Give Day) will earn \$7,500-\$10,000 from the [Dean's Executive Committee](#) (DEC)—a group of distinguished engineering alumni who advise the dean.

[Watch last year's submissions here!](#)

MAKE-A-THON SIGNUPS ARE NOW OPEN!

Make-a-Thon is a 48 hour medical device design competition that allows teams of five students to practice their product design and prototyping skills while meeting clinical or medical needs in the Davis community. This is a great opportunity to get a glimpse of what engineers do as a career!

WHEN: January 13th-15th (Friday night to Sunday night)
WHERE: Genome and Biomedical Sciences Facility (GBSF)

Registration Fees:

\$30 for BMES Members

\$50 for UCD non-BMES Members

\$55 for non-UCD students

****Covers T-shirt, supplies, food, and other fees for the event****

[REGISTER OR JOIN THE WAITLIST HERE](#)

If you have any questions, please feel free to email aielewis@ucdavis.edu or jhmoore@ucdavis.edu

CAREER/INTERNSHIPS

PURSUE WORLD-CHANGING RESEARCH WITH CITRIS

The [CITRIS Workforce Innovation Program](#) helps UC students pursue world-changing research and accelerate their careers. Join the [virtual info session](#) on **Tuesday, Jan. 10, 2023, from noon–12:30 p.m.**

The program offers select University of California students the opportunity to inform their career decisions through eight-week paid internships, where they’ll build in-demand skills through on-the-job experience. Participants will receive training in leadership and project management, and will be supported throughout the internship program by dedicated CITRIS staff, as well as the community of peers in their cohort.

ACEC California Scholarship

[View Scholarship Here](#)

Application deadline: **January 27, 2023**

[View Application Flyer](#)

[View Application Here](#)

The American Council of Engineering Companies of California will award several scholarships totaling up to \$60,000 for the 2023-24 academic year. In addition, students who apply may

also be awarded additional scholarship funds from our local chapters & ACEC National. Our scholarship program recognizes hard-working and dedicated students and serves as a valuable way for our members to identify the best and brightest students about to enter California's increasingly competitive job market.
