INVOLVEMENT

SUSTAINABLE DEVELOPMENT GOALS THROUGH UC DAVIS

International Student Challenge to Achieve Zero Hunger

Deadline: **November 11, 2022**

The world needs your ideas to achieve zero hunger! Applications are open for undergraduate and graduate students to collaborate on solutions to hunger and malnutrition through the [International Student Challenge](#) to Achieve Zero Hunger. UC Davis is closely involved in this effort through our co-leadership of the international consortium that is offering this opportunity.

Regional San Sacramento Wastewater Treatment Plant Tour -

When: **Saturday, November 19th, 2022**

Time: **9 am - approx. 12 pm**

Come join us for a tour of Regional San to see and learn about wastewater treatment processes! This plant is one of the largest in the region, serving about 1.6 million people in Sacramento County. This is a walking tour through the facility that will last 2.5 - 3 hours. Closed-toe shoes and long pants are required. Also, the maximum capacity for the tour is 20 people. This treatment plant is located in Elk Grove, about a 30-minute drive from Davis.

Need a Ride? Fill out this [Google Form](#) to RSVP

--- O ---

Fall Barbecue

When: **Sunday, November 20th, 2022**

Time: **2 - 4 pm**

Come to the Putah Creek Lodge at the Arboretum for a fun lunch social with our chapter. We will have hotdogs, hamburgers, vegetarian options — and possibly some games!

INTERESTED IN THE U.S. FOREIGN SERVICE? Hear from Featured Speaker: Ambassador Eric Rubin

When: **Friday, November 18th, 2022**

Location: **International Center, Room 3119**

Time: **10 - 11 am**

UC Davis Global Learning Hub and the American Foreign Service Association (AFSA) invite you to a very special UC Davis Global Career Development Series event where you'll hear from **Ambassador Eric Rubin**, an active-duty member of the U.S Foreign Service and current president of the American Foreign Service Association. After his talk, UC Davis students will have the opportunity to ask Ambassador Rubin questions and network with retired members of the U.S. Foreign Service, including alumni from UC Davis!

CAREER/INTERNSHIPS

Ph.D. OPPORTUNITIES AT NORTHWESTERN UNIVERSITY

If your goal is to be a knowledge leader in earth sciences, then find your fit by visiting their [webpage](#). They are recruiting from many fields across STEM who aim to pursue careers in geoscience and beyond; recruits come from environmental science, engineering, chemistry, physics, math, biology, computer science, and more. The program guarantees at least 5 years of stipend presently set at \$35k a year, in addition to fully paid tuition and fully subsidized health insurance.

Find detailed guidance on our [holistic application process](#) or email earth@northwestern.edu with questions!

OPPORTUNITIES FROM LA SANITATION & ENVIRONMENT

Two Free Events in the [Urban Conservation Stories](#)

[Conserving Water in Arid Cities](#)

Date: **December 1st, 2022**

Time: **12:00 p.m. MT**

Cities across the world are experiencing unprecedented water management challenges. This webinar will bring together Las Vegas and Los Angeles experts to share management strategies in different urban sectors to use less water and support greener cities.

--- O ---

[Connecting Cities to Landscapes](#)

Date: **January 18th, 2023**

Time: **12:00 p.m. MT**

How can cities positively contribute to landscape connectivity for plants and animals that need intact landscapes to survive? Experts from the U.S., Canada, and Mexico will explore how cities can contribute to national conservation targets connectivity through policy, federal support, and NGO-led work.

--- O ---

LASAN TECH TALK - PLASTICS

[Re-envisioning Plastics in Combating Climate Change](#)

When: **November 15th, 2022**

Time: **12 pm PST**

The world economy has a huge impact on how waste is managed. Learn how Environment Engineers respond to rethink how we can continue to reduce and reuse plastics throughout LA's Departments and establish new methods and policies for businesses, residents, and the infrastructure to support it.
