

EBMUD is hiring!

Opens on August 17, 2020 to August 28, 2020

Engineering Aide

Geotechnical Engineering

(part-time / temporary)

Hourly Pay \$28.74

East Bay Municipal Utility District (EBMUD) invites candidates who have the appropriate qualifications to apply for this intern position (part-time - 19 hours per week, when school is in session OR temporary full time - 40 hours per week for up to 6 months on school breaks) in the Geotechnical Engineering Section of the Engineering and Construction Department. The Geotechnical Engineering Section provides geotechnical engineering services for EBMUD projects. In addition, the section monitors and maintains the safety of 25 EBMUD dams through review and analysis of data regularly collected from numerous instruments at the dams.

The Engineering Aide will assist seven engineers and five laboratory/field technicians in the section by performing the following typical tasks:

- Prepare geological information, cross-sections, and engineering drawings.
- Assist engineers in dam safety and construction inspections.
- Assist with geotechnical field exploration and measurement of dam surveillance instrumentation within EBMUD's service area, which includes parts of Alameda and Contra Costa Counties.

EAST BAY MUNICIPAL UTILITY DISTRICT

EBMUD is one of the largest independent water and wastewater utilities in the nation, supplying water and providing wastewater treatment for parts of Alameda and Contra Costa counties. Headquartered in Oakland, our mission is to provide reliable, high-quality water and wastewater services for our customers, to exercise responsible stewardship over the natural resources with which we are entrusted, and to protect the environment for future generations.

- Review instrumentation data for engineers' evaluation.
- Use PCs for spreadsheets, ArcGIS, word processing, graphics, updating geo-database, engineering programs, etc.
- Other duties as required.

JOB REQUIREMENTS

1. Junior or Senior Civil Engineering student with interest in geotechnical engineering.
2. Valid California driver's license and satisfactory driving record.
3. US citizen or have proof of the legal right to remain and work in the United States.
4. Self-motivated and have good verbal and written communication skills.
5. General computer skills are required.
6. Computer programming, ArcGIS, and CAD experience is a plus.

HIRING PROCESS

Visit www.ebmud.com/jobs to submit your EBMUD application online by 4:30 p.m. on Friday, August 28, 2020. Only application materials submitted online during the filing period will be accepted. Application materials faxed, mailed or delivered to EBMUD will not be accepted.

EQUAL OPPORTUNITY EMPLOYER

EBMUD is an equal opportunity employer and strongly encourages qualified women, minorities, veterans and individuals with disabilities to apply for job opportunities.

EBMUD staff maintains ongoing partnerships with local universities and student organizations to attract qualified diverse candidates for EBMUD jobs.

Interested applicants should follow the instructions on how to register for upcoming job opportunities and proceed to create an applicant profile. Once this job is officially open for applications, you may actively apply on www.ebmud.com/jobs.

REGISTER FOR JOB OPPORTUNITIES

To receive an email when EBMUD has job opportunities, go to www.ebmud.com/jobs. Click on “[Job Resources](#)”, then click “[Job Descriptions and Salary Information](#)” to review jobs you may be interested in. Click on “Email me when jobs like this become available” and fill out an online job interest card. Use the search function to help you find specific EBMUD job titles.

CREATE YOUR PROFILE

Go to www.ebmud.com/jobs to register and create an online applicant account. Registration is free. Click on “[Applicant Registration and Login](#)” link. Once you have created your account, enter your personal information and work experience. Creating your account will save your information which saves you time when you apply for employment.

APPLY FOR EMPLOYMENT

Check www.ebmud.com/jobs/job-opportunities/ to see current posted exams for which you can apply. Only online applications are accepted for EBMUD jobs, and applications are only accepted when EBMUD posts an opening for a job.

EXCELLENT BENEFITS

EBMUD values its employees and maintains [competitive pay](#) and [benefits](#), provides meaningful and challenging work, maintains a safe, well-equipped workplace, uses current technologies, encourages innovation, implements organizational practices that value employee contributions, encourages learning, and promotes employee wellness and work/life balance.

NOTE: The recruitment for this temporary intern position will not result in the establishment of a civil service list. This position is not eligible for benefits.
