Attention programmers! We're excited to announce that HackDavis is recruiting for new directors, and we'd love for **YOU** to join our team!

## What is HackDavis?

HackDavis is UC Davis's annual 24-hour coding event -- hosting 600+ student hackers from around the country to create lasting friendships and build innovative projects. Our hackathon is unique in that we revolve HackDavis around **social good**. Each year, we partner with non-profits that specialize in social good areas like Health, Environment, and Education to provide hacktivists with ideas and a first-hand perspective on problems in need of technical solutions.

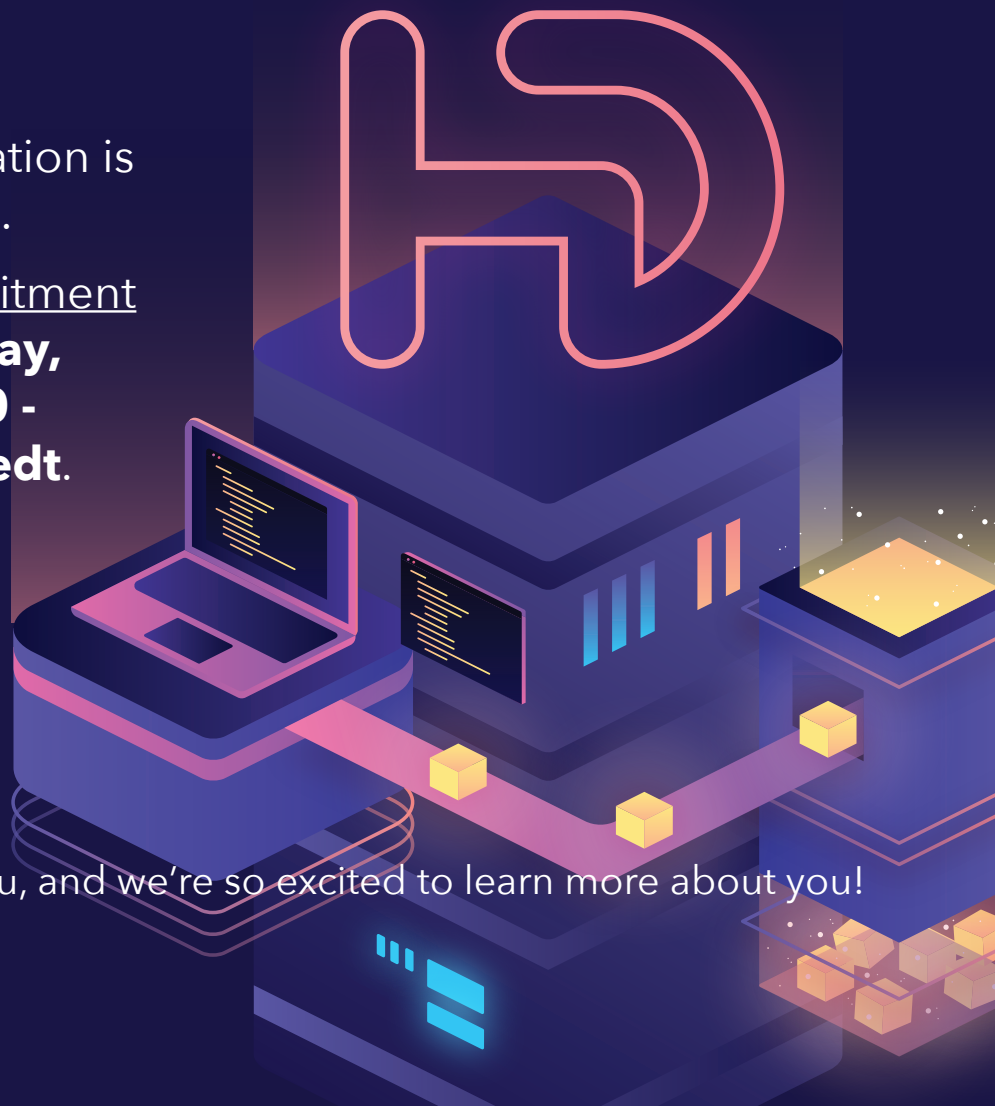

## So where do I apply?

Right here!

Our 2020-2021 application is open until **March 20th**.

We'll be having a recruitment info session on **Thursday, March 12th from 8:00 - 10:00PM at 1001 Giedt**.
