

# Finding & Building Your Online Community

May 6<sup>th</sup>: 10:00am – 12:00pm

Register to reserve your spot + receive event updates and resources: <https://tinyurl.com/OnlineCommunity20>

## PANELISTS

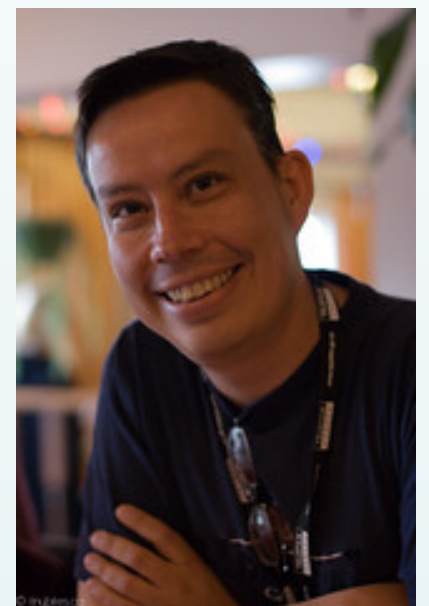

### **Bernardo Bastien, M.Sc. [@Ber\_Bastien; @Planeteand0]**

Bernie is a PhD candidate in Geography at UC Davis, working in the interface of climate, economy, and ecology. He is a co-host and founder of *Planeteando*, a platform for climate change and environmental science communication with more than 30 content contributors and partnership with the American Geophysical Union, the Mexican Geophysical Union and other official institutions and projects across Mexico and the U.S.

### **Raul Pacheco-Vega, Ph.D. [@raulpacheco]**

Dr. Pacheco-Vega is an Assistant Professor in the Public Administration Division of the Center for Economic Teaching and Research (Centro de Investigacion y Docencia Economicas, CIDE) in Mexico. He is a specialist in comparative public policy and focuses on North American environmental politics, sanitation and water governance, solid waste management, neoinstitutional theory, transnational environmental social movements and experimental methods. His current research focuses on the spatial, political and human dimensions of public service delivery. He is the editor for the Americas of the *International Journal of Qualitative Methods*, Associate Editor for *Policy Design and Practice*, and sits on several journal editorial boards. Dr. Pacheco-Vega also provides guidance and advice to graduate students and the broader academic community through blog posts, Twitter, and his *#ScholarSunday* program.

### **Sarah McAnulty, Ph.D. [@SarahMackAttack; @SkypeAScientist]**

Dr. Sarah McAnulty is a Research Assistant Professor in the Department of Molecular and Cell Biology at the University of Connecticut. Her research expertise focuses on immunology in cephalopods, particularly the Hawaiian Bobtail Squid. In 2017, Dr. McAnulty founded *Skype a Scientist*, a nonprofit organization that connects scientists and teachers around the world for live video calls on a wide range of topics. McAnulty is also known for her *Squids Across America Tour* where she spoke about cephalopods and science communication.

### **Michele Tobias, Ph.D. [@MicheleTobias]**

Dr. Michele Tobias is the Geospatial Data Specialist at the University of California – Davis, *DataLab*. Dr. Tobias has more than 15 years of experience in the field of geospatial science, a PhD in Geography, and expertise in both proprietary and open source software. She is also the organizer and leader of the weekly Twitter *#GISchat* community.
