UCGHI 2021-22 GloCal Health Fellowship

APPLICATION DEADLINE: **November 2, 2020**

*Don’t miss out on this amazing career development opportunity!*

The University of California Global Health Institute GloCal Health Fellowship is a 12-month mentored research fellowship that provides trainees with outstanding, interdisciplinary education and training in innovative global health research designed to improve health for populations around the world. Choose 1 of 20 research sites in 17 different countries!

**Fellowships begin in JULY 2021 and provide:**
- 12 consecutive months of stipend support
- Health insurance (for U.S. trainees)
- Research funding (approximately $15,000)
- Travel costs to and from international field site
- Support for online courses
- Weeklong orientation at the NIH campus in Washington, DC.
