Dear students,

Please review the following guidelines regarding graduate student academic appointments and fee remissions for the 2020-21 academic year:

**Graduate Student Researcher (GSR) 25%- 49%**

- **CA-residents**: includes a monthly salary and **full** in-state tuition fee payment of $6,240.70/6,240.69* per quarter of employment.
- **Non-residents**: includes a monthly salary and **full** in-state tuition fee payment of $6,240.70/6,240.69* per quarter, and **full** non-resident tuition of $5,034 per quarter of employment.

**Teaching Assistant (TA) 25%- 50%**

- **CA-residents**: includes a monthly salary and **full** in-state tuition fee payment through fee remissions (The appointment fee remission excludes approximately $188* per quarter of GSA, Memorial Union, Facilities and Campus fees, which the department will pay on behalf of the student).
- **Non-residents**: includes monthly salary and in-state tuition as noted above, and no out-of-state tuition fee payment through fee remissions. Please be advised that non-resident tuition fee remission is **not included** and may or may not be paid by department funding.

**Reader 25% or greater**

- **CA-residents**: includes a monthly salary and **partial** in-state tuition fee payment through fee remissions (excluding approximately $188* per quarter of GSA, Memorial Union, Facilities and Campus fees). Please be advised that you will need to pay that amount independently.
- **Non-residents**: includes monthly salary and in-state tuition as noted above, and no out-of-state tuition fee payment through fee remissions. Please be advised that non-resident tuition fee remission is **not included** and may or may not be paid by department funding.

*All fee amounts noted here are subject to change without notice, depending on the actual fees for each quarter, as determined by the University.

**Employment Eligibility Requirements**

- A student must be **registered for 12 units for the full quarter** of employment.
- A student must maintain a minimum **3.0 cumulative GPA**.
- As a graduate student, you may work a total of 21 quarters as a Graduate Student Researcher and a total of 18 quarters as a Teaching Assistant, Associate Instructor and/or Reader. Note: There is a Temporary Extension of the 18-Quarter Service Limit for ASE’s ([https://grad.ucdavis.edu/policies](https://grad.ucdavis.edu/policies)).
- A student on **Filing Fee** may be employed as a GSR (or a combination of other academic positions) for one quarter only. No exceptions are granted beyond one quarter. Students may not hold student employment (Teaching Assistant [TA], Graduate Student Researcher [GSR], etc.) while on **PELP**.
- A student may work as a GSR up to a **maximum of 49% during the academic session, and up to 100% during the summer**. For additional appointment maximums, please speak with the Graduate Staff Advisor.
