

Knights Landing Garden Committee 2021-2022

Are you interested in making a change within a community?

Knights Landing is an underserved farming community that lacks basic resources to recreational centers, parks, and grocery stores.

Our goal is to develop a community garden plot to grow fresh produce and serve as a recreational space to promote health and nutrition for local residents and youth.

We are looking for new members who are interested in community empowerment, landscape design, grant writing, youth involvement, promoting mental health, gaining leadership skills, or are knowledgeable about plants and gardening.
