

UNDERGRADUATE RESEARCH WEEK

OCTOBER
12-16, 2020

2020 SCHEDULE OF virtual EVENTS

ALL WEEK

****Show us YOUR Research MEME CONTEST – Win Prizes!!**

Undergraduate students are engaged in **Research, Design and Discovery Projects** all over our amazing UC Davis campus and it's time to show off your research! Submit a meme describing your research and enter to win prizes. Students can submit in either the STEM or Humanities/Social Sciences category. Memes will be accepted all week, but must be submitted by 5pm PST on Friday, October 16th to be considered for the contest (and win prizes).

For contest rules, see: <https://urc.ucdavis.edu/URWeek-meme-contest>

MONDAY, OCTOBER 12

Global Learning Hub: Undergraduate Research Opportunities in Germany

10:00 – 10:50 am

URC Discovery Café: Undergraduate Research Award Opportunities for all majors!

2:10 – 3:00 pm

How to Become a Psychology Researcher (with Faculty Panel)

4:10 – 5:00 pm

Information Session: Undergraduate Research in Chemistry Panel Part 1

5:10 – 6:30 pm

How to Prepare for a Research Project Remotely and Tips for Developing a Research Proposal - for all majors!

6:10 – 7:30 pm

TUESDAY, OCTOBER 13

Berry M. Goldwater Scholarship Info Session

12:00 - 1:00 pm

URC Discovery Cafe: How to Get Involved in Undergraduate Research in Humanities, Arts, Cultural Studies and Social Sciences

2:10 - 3:00 pm

URC Discovery Cafe: How to Get Involved in Research (STEM)

3:10 – 4:00 pm

Info Session: Undergraduate Research in Chemistry Panel Part 2

4:10 - 5:30 pm

Writing Competitive Fellowship Applications

(focused especially on NSF graduate fellowship)

5:10 - 6:00 pm

WEDNESDAY, OCTOBER 14

Undergraduate Research Center Programs, NSF LSAMP/CAMP, McNair, MURPPS and UC LEADS

2:10 - 3:00 pm

How to Create an Effective Research Poster - for all majors!

3:10 - 4:00 pm

Undergraduate Research in the Physics Department

6:10 - 7:00 pm

Info Session/Q&A about Undergraduate Research with the Undergraduate Research Ambassadors - for all majors!

6:30 - 7:30 pm

THURSDAY, OCTOBER 15

Plant Sciences Undergraduate Research Presentations

12:10 - 1:00 pm

How to Get an Undergraduate Research Position - Interactive Session for all majors!

12:10 - 1:00 pm

"Ask a Mentor" Panel and Info Session: Research in Humanities, Arts and Social Sciences Including Collaborative Digital Projects.

2:10 - 4:00 pm

Math Undergraduate Research Conference and Q&A

2:10 - 4:00 pm

Info Session: Undergraduate Research in Chemistry Panel Part 3

5:10 - 6:30 pm

Communicating Your Research 101 (science focus)

7:00 - 8:00 pm

Take it to the Next Level: How Research Prepares you for Grad School - for all majors!

7:00 - 8:00 pm

FRIDAY, OCTOBER 16

Student Startup Center Mentor Meetup

1:30 - 2:30 pm

Provost's Undergraduate Fellowship Info Session - for all majors!

1:00 - 2:00 pm
